OBJECTIVE

Early-career software engineer with a strong foundation in backend development, seeking to grow within a collaborative engineering team by building reliable, cloud-native systems and engaging in continuous learning.

SKILLS

Languages: Python, JavaScript, TypeScript, SQL, NoSQL, HTML

Frameworks & Tools: Django, Flask, FastAPI, React, AWS, Docker, Git, Linux

Concepts: Cloud-Native Architecture, REST APIs, Agile, CI/CD, Testing & Debugging, RAG, LLM Agents

Soft Skills: Adaptability, problem-solving, code review collaboration, continuous improvement, agile mindset

EXPERIENCE

Shadhin Lab LLC

Solution Developer

Hybrid

Aug 2023 – Present

- Collaborated on backend systems powering scalable, cloud-native platforms.
- Contributed across multiple projects, including AI-enhanced tools and R&D-driven initiatives.
- Involved in architecture discussions, sprint reviews, retrospectives, and quality assurance workflows.
- **Key projects:** docadvisor.xyz, shadhin.ai, onestoplms.com, meetmates.live.

Shadhin Lab LLC

Intern

Hybrid

May 2023 – Jul 2023

- Collaborated with senior developers and the product team to understand software development processes.
- Participated in documentation, QA reviews, sprint grooming, and internal planning efforts.

PROJECTS

AWS CDK E-commerce Platform

- Built a serverless backend using AWS Lambda, DynamoDB, API Gateway, and CDK for inventory and order management.

Hashfad - Multi-vendor Marketplace

- Designed a scalable e-commerce backend supporting vendor onboarding, async order flows, and dashboard analytics.

Team Blogging Platform

- Created a collaborative blogging site with nested comments, user profiles, and moderation tools.

Petuk - Restaurant Ordering App

- Developed an Android-based food ordering app with real-time order tracking using Firebase.

University Management System

- Implemented course registration and scheduling logic using C# and .NET framework.

EDUCATION

International Islamic University Chittagong

B.Sc. in Computer Science & Engineering, GPA: 3.447 / 4.00

Chattogram, Bangladesh

Graduated: 2022

CERTIFICATIONS

AWS Certified Cloud Practitioner - AWS

Python with Django - Pondit

Applied Data Science I - WorldQuant University

Python Data Structures - University of Michigan (Coursera)

Web Application Development (.NET) - BITM
